Catalog created on 18 april 2022 to 04:00

	Item	Description	Start price
	4	<p>Brand: HONDA Model: MONKEY 50 A Year of manufacture (yyyy): 1 First registration (dd/mm/yyyy): 01/01/1970 Fuel gasoline Odometer reading (kms): 8832 Chassis number: Z50A-268134 Motorcycle type: Moped Transmission: Manual transmission Exterior colour: Red Number of keys: 1 Other options: start / engine OK / runs / average fork wear / light tire wear / front brake to be overhauled / exhaust + carburettor + electricity ok / light oxidation / to restore. Additional Information: Japanese Registration Certificate English translation French customs document 846A French Transfer Certificate</p> <p>All vehicles are sold in the condition they are in and with the documents that the Auctim Partner has available and stated on its website in the lot description. The consequences of the lack of certain documents (certificate of conformity, registration certificate, etc.) must be assessed by the buyers and they bear full responsibility for this. The Auctim Partner does not accept any liability with regard to the documents of the auctioned vehicles.</p> <p>We find the Monkey in its second road version: the Z50 A. Equipped with a mechanical front fork, 8-inch wheels and a folding handlebar, this Monkey retains the good looks and practicality that made it so successful. It works well and has 8832 km. Slightly oxidized, however, it will have to be overhauled, starting with the front brake. The A-series representatives are becoming rare</p>	875€

		<p>and their price is increasing, take advantage of them!</p> <p>Registration certificate: Not present, see additional information</p> <p>Certificate of Conformity: Not present, see additional information</p> <p>Visible vehicle damage: Yes, you can always consult the photo report for a detailed overview of the visible damage.</p> <p>condition: Used</p> <p>Quantity: 1</p>

The Auctim Partner does not accept any liability with regard to the documents of the auctioned vehicles.</p>	500€

		<p>Honda's recipe for an adult toy: take a Monkey, increase the tank capacity, change the seat and handlebars, add some racks, and you get a Gorilla 50.</p> <p>Slightly oxidized and with 3915 km, this 1978 model will need a carburettor cleaning as well as a service.</p> <p>Ideal for the back of a motorhome, it will be the ingredient of your successful summer</p> <p>Registration certificate: Not present, see additional information</p> <p>Certificate of Conformity: Not present, see additional information</p> <p>condition: Used</p> <p>Quantity: 1</p>	
	7	<p>Brand: HONDA Model: MONKEY 50 R Year of manufacture (yyyy): 1 First registration (dd/mm/yyyy): 01/01/1991 Fuel gasoline Chassis number: AB02-1000163 Motorcycle type: Moped Transmission: Semi-automatic transmission Exterior colour: White Number of keys: 0 Other options: No speedometer / start / engine OK / runs / normal fork wear / normal tire wear / brakes + exhaust + carburettor + electronics OK / light oxidation on rims / to be overhauled Additional Information: Japanese Registration Certificate English translation French customs document 846A French Transfer Certificate</p> <p>All vehicles are sold in the condition they are in and with the documents that the Auctim Partner has available and stated on its website in the lot description. The consequences of the lack of certain documents (certificate of conformity,</p>	625€

		<p>registration certificate, etc.) must be assessed by the buyers and they bear full responsibility for this. The Auctim Partner does not accept any liability with regard to the documents of the auctioned vehicles.</p> <p>After devising several road versions, Honda offers its star, the Monkey 50, an all-terrain version: the Monkey Z50 R. Equipped with a semi-automatic transmission and studded tires, this Monkey cross is a fun machine to introduce young people to two-wheelers. Adults will see it as an ally for a good laugh. Slightly oxidized on the rims and in need of overhaul, this Z 50 R is nevertheless in good aesthetic and mechanical condition. It's up to you Registration certificate: Not present, see additional information Certificate of Conformity: Not present, see additional information Visible vehicle damage: Yes, you can always consult the photo report for a detailed overview of the visible damage. condition: Used Quantity: 1</p>	
	9	<p>Brand: HONDA Model: TLR 200 Year of manufacture (yyyy): 1 First registration (dd/mm/yyyy): 01/01/1983 Fuel gasoline Odometer reading (kms): 7731 Chassis number: MD031017878 Motorcycle Type: Motorcycle Transmission: Manual transmission Exterior colour: White Number of keys: 1 Other options: start / engine OK / does not run / light fork wear / normal tire wear / brakes + exhaust + carburettor + elec OK / light oxidation / carburettor cleaning + maintenance</p>	625€

		<p>Additional Information: Japanese Registration Certificate English translation French customs document 846A French Transfer Certificate</p> <p>All vehicles are sold in the condition they are in and with the documents that the Auctim Partner has available and stated on its website in the lot description. The consequences of the lack of certain documents (certificate of conformity, registration certificate, etc.) must be assessed by the buyers and they bear full responsibility for this. The Auctim Partner does not accept any liability with regard to the documents of the auctioned vehicles.</p> <p>In the world of trials, the TLR 200 is a best-seller. Reliability of the 4-stroke engine, pleasant lines, practical safety equipment for the training field: the Honda offers many advantages. With 7,731 km, this slightly oxidized TLR will run even better after the overhaul and cleaning of its carburetion. A nice machine waiting for you to cover it with mud Registration certificate: Not present, see additional information Certificate of Conformity: Not present, see additional information Visible vehicle damage: Yes, you can always consult the photo report for a detailed overview of the visible damage. condition: Used Quantity: 1</p>

		<p>this. The Auctim Partner does not accept any liability with regard to the documents of the auctioned vehicles.</p> <p>A competitor of the Yamaha Chappy, we find here our "dachshund" in its 50cc version with foot-operated gears without clutch. With a total of 3581 km and heavily oxidized, the 4-stroke engine of this example works well. In general, it must be restored (superficial oxidation) before it can be put back on the road, and the brakes and electrical function checked. Fun and reliable, a great companion Registration certificate: Not present, see additional information Certificate of Conformity: Not present, see additional information Visible vehicle damage: Yes, you can always consult the photo report for a detailed overview of the visible damage. Vehicle damage description: Steering wheel rusted through condition: Used Quantity: 1</p>	
	14	<p>Brand: SUZUKIA Model: RV 50 Year of manufacture (yyyy): 1 First registration (dd/mm/yyyy): 01/01/1972 Fuel gasoline Odometer reading (kms): 16492 Chassis number: RV5026078 Motorcycle type: Moped Transmission: Manual transmission Exterior colour: Blue Number of keys: 3 Other options: start / engine OK / runs / normal fork wear / light tire wear / brakes + exhaust + carburettor + electrics OK / serviceable Additional Information: French Transfer Certificate</p> <p>All vehicles are sold in the condition they are in</p>	400€

		<p>and with the documents that the Auctim Partner has available and stated on its website in the lot description. The consequences of the lack of certain documents (certificate of conformity, registration certificate, etc.) must be assessed by the buyers and they bear full responsibility for this. The Auctim Partner does not accept any liability with regard to the documents of the auctioned vehicles.</p> <p>The trade name "VanVan" often makes people forget that this Suzuki is an "RV" for "recreational vehicle". Designed for leisure with its large balloon tires, the RV VanVan is ultra versatile. With 16,491 miles, the 50cc RV we bring to you works well, but will need to be serviced before hitting the road...or the sand. It's time to play Registration certificate: Not present, see additional information Certificate of Conformity: Not present, see additional information condition: Used Quantity: 1</p>	
	15	<p>Brand: SUZUKIA Model: RB 50 GAG Year of manufacture (yyyy): 1 First registration (dd/mm/yyyy): 01/01/1986 Fuel gasoline Odometer reading (kms): 11 Chassis number: LA41A102338 Motorcycle type: Moped Transmission: Manual transmission Number of keys: 1 Other options: start / engine OK / runs / normal fork wear / normal tire wear / brakes + exhaust + carburettor + elec OK / needs to be serviced / rear cover cracked Additional Information: French Transfer Certificate</p>	875€

		<p>All vehicles are sold in the condition they are in and with the documents that the Auctim Partner has available and stated on its website in the lot description. The consequences of the lack of certain documents (certificate of conformity, registration certificate, etc.) must be assessed by the buyers and they bear full responsibility for this. The Auctim Partner does not accept any liability with regard to the documents of the auctioned vehicles.</p> <p>The second mini-sport bike in this sale, the Suzuki GAG 50 is a real head turner. A real GSX-R in reduction, the one we offer has withstood the years well despite a small tear in the tailgate. This engine works and has only 10 km on the clock. Before returning to the karting circuits, it will need a mechanical overhaul, nothing serious considering the size of the machine. Ideal for perfecting your routes Registration certificate: Not present, see additional information Certificate of Conformity: Not present, see additional information condition: Used Quantity: 1</p>	
	16	<p>Brand: HONDA Model: NSR 50 Year of manufacture (yyyy): 1 First registration (dd/mm/yyyy): 01/01/1988 Fuel gasoline Odometer reading (kms): 3418 Chassis number: AC101004387 Motorcycle type: Moped Transmission: Manual transmission Exterior colour: Red Number of keys: 2 Other options: start / engine OK / runs after service / normal fork wear / new tires / brakes +</p>	1.125€

		<p>exhaust OK / carburettor to be cleaned / electrical check / no oxidation / tank pierced on the right / spy seals to do Additional Information: French Transfer Certificate</p> <p>All vehicles are sold in the condition they are in and with the documents that the Auctim Partner has available and stated on its website in the lot description. The consequences of the lack of certain documents (certificate of conformity, registration certificate, etc.) must be assessed by the buyers and they bear full responsibility for this. The Auctim Partner does not accept any liability with regard to the documents of the auctioned vehicles.</p> <p>Equipped with a 2-stroke single-cylinder engine, this 50cc sports version leaves no one indifferent. You will have to restore this model with 3418 km: cleaning carburetor, spying seals and electricity. Note that the fuel tank is slightly punctured on the right side. In working condition, this NSR 50 is a good basis for anyone who wants to build a small car. Small but strong Registration certificate: Not present, see additional information Certificate of Conformity: Not present, see additional information Visible vehicle damage: Yes, you can always consult the photo report for a detailed overview of the visible damage. condition: Used Quantity: 1</p>	
	18	<p>Brand: HONDA Model: DAX 70 Year of manufacture (yyyy): 1 First registration (dd/mm/yyyy): 01/01/1969 Fuel gasoline Odometer reading (kms): 15288 Chassis number: ST70514640</p>	675€

		<p>Motorcycle type: Moped Transmission: Semi-automatic transmission Exterior colour: Brown Number of keys: 1 Other options: start / engine OK / runs / normal fork wear / average fork wear / brakes + echapp + carburettor + elec OK / light oxidation / needs to be serviced Additional Information: French Transfer Certificate</p> <p>All vehicles are sold in the condition they are in and with the documents that the Auctim Partner has available and stated on its website in the lot description. The consequences of the lack of certain documents (certificate of conformity, registration certificate, etc.) must be assessed by the buyers and they bear full responsibility for this. The Auctim Partner does not accept any liability with regard to the documents of the auctioned vehicles.</p> <p>Neither motorcycle nor scooter, the Dax has a special place in the motorcycling legend. This charming Dachshund ("Dachshund", in German) is designed to follow you around town or country. It will be waiting for you at the bottom of your house or attached to the back of your motorhome. The model we offer has 15288 km and the gears are foot operated without clutch. It is slightly oxidized and works well, but needs a service before hitting the road. Trying is adopting! Registration certificate: Not present, see additional information Certificate of Conformity: Not present, see additional information Visible vehicle damage: Yes, you can always consult the photo report for a detailed overview of the visible damage. condition: Used Quantity: 1</p>
