Our stoves run electrically and therefore do not produce real flames, but our deceptively real designed wooden dummy inside is confused similar to a normal fire. In addition, the advantage is that no ash or dirt is created. Optically highlight: thanks to the different models and designs, the perfectly colour-coordinated fireplace heater is included - simply an eye-catcher. The environmentally friendly fireplace fits into the socket and is therefore ready to use. Cheering and waiting for the heat associated with smoke development is therefore history. You can wipe our oven with a damp cloth. The existing glass cover is cleaned with a glass cleaner.</p>

	195	<p>1 Garden Fountain HINGUCKER: Der Blumfeldt Schönbrunn setzt sommerliche Akzente in Gärten, auf Terrassen oder Wintergärten. Auf einem sanft geschwungenen, schwarzgrauen Sockel mit Wasserbassin ruht die Springbrunnenkugel, aus deren Öffnung in stetem Strome Wasser sprudelt. STIMMUNGSVOLL: Sowohl Sockel als auch Springbrunnenkugel sind aus Polyresin gefertigt und in Form behauener Basaltblöcke gestaltet. Der Kugelbrunnen wird in dunklen Stunden oder des Nachts von einer Krone aus strahlenden LED-Lichtern unterstrichen. SOLAR: Das Besondere am Wasserspiel von Blumfeldt ist seine völlige Unabhängigkeit von netzgebundener Stromversorgung, Er wird allein von der Kraft der Sonne gespeist und enthält deswegen ein Solarpanel mit einer etwa 300 cm² großen Photovoltaik-Fläche. AKKU: Selbst an bewölkten Tagen sorgt sie für genügend Strom, um die kleine Pumpe zu betreiben und bis zu 200 Liter Wasser pro Stunde durch die Kugelöffnung zu sprudeln. Überschüssig erzeugter Strom wird dabei in dem ebenfalls enthaltenen Akku gespeichert.</p>	375€
