	28	<p>Quantity: 1 Product Category: Go Kart Brand: BERG TOYS Model: PINK Additional information: The BERG GO² is our smallest go-kart for children aged 10-30 months. But don't underestimate this toddler of a go-kart. Your little one will learn to step and pedal faster on this go-kart! In short, 2 in 1. First you can keep the pedals folded so that your child can scooter. Due to the design, your child can easily use the</p>	40€

		<p>BERG GO² as a ride-on car without the pedals or rear wheels getting in the way. Fold out the pedals when your child is ready for the next phase. Then your toddler can learn to drive around on the BERG GO². You don't have to worry about your child falling over, because the BERG GO² stands firmly on the ground thanks to the four wheels. This is so safe!</p> <p>The design and material of the BERG GO² ensure that this go-kart fits your child and his age perfectly. You don't have to adjust the saddle or handlebars, because your child always sits perfectly on the BERG GO². Your toddler will drive away in no time because this go-kart pedals lightly and is equipped with direct drive. Thanks to the silent whisper tires, your child also drives silently.</p> <p>In short, the BERG GO² is the best choice, because it not only makes playing fun, but also contributes to the development of your child. Your child can discover the world so easily.</p> <p>New in the package Weight category: 50 to 100 kg Condition: Unused</p>

		<p>with your body, you get the sharpest turns and make the coolest maneuvers. You and your Street-X merge into a whirlwind on wheels. The new Street-X comes in two versions, the Venom and the Vipes. Whichever you choose, the features are the same. For example, they have the BFR system, with which you can brake with your pedals and immediately reverse. That makes you super agile!</p> <p>With the Street-X you naturally look for the edges of what is possible. Then the sturdy pneumatic tires are so nice, for extra grip and comfort. The position of the chair can be adjusted, so that you are always comfortable. Safety has also been considered. For example, the Street-X has two sturdy handguards for extra protection of your hands! The green Street-X Venom and blue Street-X Vibe are for you from the age of six and the adjustable bucket seat and strong steel frame allow you to ride them up to the age of twelve. Are you ready for your stunts?</p> <p>New in the package Weight category: 50 to 100 kg Condition: Unused</p>

	47	Quantity: 1 Product Category: Go Kart Brand: BERG TOYS Model: B.SUPER BLUE Additional information: B.Super Blue BFR-3 gears The classic that Berg has become famous for has been completely restyled. You can still choose from three different versions Basic Pure, Basic Rapid and Basic Super. You are never too big for the Basic. You can start with it from the age of 5 and adults also like to ride it. You can adjust the drive of the Basic to your wishes and needs. The BFR system provides direct drive, with which you can move forward as fast as you can reverse. If you want more variety in your drive, you should opt for the BFR-3 with three gears. And you get extra power with the E-BFR or E-BFR-3 through an integrated electric mid-mounted motor with removable battery. The more power you put in, the more the engine helps you. Are you a little taller? Then the version with the XXL-BFR frame is ideal for you! All electric models are already equipped with the XXL frame as standard. Model: HYBRID E-BFR

Additional information: Hybrid E-BFR Electric
Go fast with this Hybrid E-BFR go-kart.

999€

As a result of the new E-BFR frame with electric pedal assistance, BERG has added the Hybrid theme to the range.

The BERG Hybrid has a cool blue color with E-power lettering. This go-kart is also equipped with sturdy 12" rims with pneumatic tires to tear around.

Thanks to the unique BFR system, you have a handy reverse pedal brake and you can easily drive forwards and backwards. Make your go-kart even more fun with various tools such as a lift tray, the pallet fork or a roll bar with flashing light.

BERG E-BFR electric go-kart
Carefree driving pleasure with pedal assistance?

This is possible with the innovative BERG E-go-kart. You can drive around carefree for hours. The harder you pedal, the more support the motor will provide.

	91	Quantity: 1 Product category: Safety net Brand: BERG TOYS Model: DELUXE XL 430 Additional information: Safety Net Deluxe XL 430 With their many years of experience, BERG Toys has paid all attention to making the safest trampolines of the highest quality that jump perfectly. The BERG DeLuxe XL safety net offers optimum safety thanks to an extra long and sturdy, wear-resistant and durable net made of high-quality materials that can be easily seen through. The DeLuxe XL safety net is also very sleek and can be easily disconnected at the top, so that it can also be covered by a cover. This safety net is 220cm high. The new entrance to this DeLuxe XL safety net is self-closing and therefore extra safe. Getting in and out is comfortable, but the DeLuxe XL net cannot accidentally be left open. The installation of this trampoline safety net DeLuxe XL is very simple and fast thanks to the specially developed mounting brackets and optimum strength is guaranteed. Due to the thick foam layer around the poles, the jumper is also protected against bumps to the poles of the DeLuxe safety net. New in the package Weight category: 23 to 50 kg Condition: Unused	149€

Brand: BOISY SUNNY

Model: SIDE M

Additional information: The Boisy Sunny Side M belongs to the crème de la crème of playground equipment with its high quality finish. The walls of this playhouse are made in our own workshop and are firmly anchored with INOX nails. Thanks to a unique size of 177 x 200 cm, this play tower is extremely suitable as a second residence in the garden.

You can now spend a wonderful holiday in your own garden by simply installing a mattress and inviting playmates. In the morning, bring a delicious breakfast in the matching picnic set for unforgettable moments of bliss.

This playhouse, which resembles a garden house on legs, has the highest finish of all playground equipment on the market. With the Boisy Sunny Side M, safety comes first, so all small corners and edges are neatly concealed. Included as standard are the safe stairs with flat steps and handrails and a climbing ramp with 5 colored stones. The Boisy Sunny Side M is designed and manufactured in Belgium.

The Boisy Sunny Side M is a play tower that is suitable for the smallest, but certainly also for teenagers. Its unique height allows even adults to stand on the platform without bending over. This playset has a platform at the bottom and the roof is finished with boards from Swedish Rabat, so that light gaps are avoided due to the shrinking of the wood.

By using the sustainable & selected Scandinavian spruce wood, this play tower only gets more beautiful with time. Furthermore, our planks are selected for strength, classified according to C qualities. For this device this is not only a strength, but also an ideal of beauty, because there are fewer knots in the wood.
