

CATALOG
INDUSTRIAL LAUNDRY MACHINES AND DRYER.

DESCRIPTION

Laundry machines 20kg and 50kg.
Tumble dryer 100kg

START

17 january 2023 to 09:00 [UTC]

END DATE

24 january 2023 from 14:00 [UTC]

VIEWING

- Only by appointment through the organizer.

| | Item | Description | Start price |
|---|------|---|-------------|
|  | 1 | <p>Number: 1 Product category: Laundry machine Brand: Jiangsu Taifeng Model: SXT-50 Year of manufacture (yyyy): 2019 Serial Number: 19120440 Additional information: : Volume-508L Washing speed-40 r/min Balancing speed -60 r/min Mid-Extracting Speed -360 r/min High-Extracting Speed -700 r/min Compressed Air Pressure -0.4-0.6MPa Water Consumption -500kg Steam Consumption -30kg Power - 5.5Kw The computer control system can realize the main programs such as automatic water addition, pre-washing, main washing, rinsing, neutralization, etc. There are 30 sets of washing programs in the store for selection, and 5 sets of common automatic washing programs are available. The unique lower suspension shock absorption design, low vibration, improves the stability of the equipment in high-speed operation. The high-quality inverter ensures the minimum and maximum speed, which not only ensures the washing quality, but also improves the dehydration rate. Dimensions mm (LxWxH): 1470x1800x1800 Weight category: 250 to 1,000 kg Condition: Used</p> | 1.200€ |
|  | 2 | <p>Number: 1 Product category: Laundry Machine Brand: Jiangsu Taifeng Model: SXT-20 Year of manufacture (yyyy): 2019 Serial Number: 19120439 Additional information: Rated-20kg Laundry tub volume-208L Motor power -2.2KW Washing speed -40r/min Uniform speed-67r/min Mid speed-375r/min High speed-750r/min Compressed air pressure-04-06Mpa Water consumption (approx)-180kg Air consumption (approx)-13kg Power</p> | 800€ |

| | | | |
|---|----------|--|-------------|
| | | <p>consumption (approx)-1Kwh The high-quality bearing oil seal is adopted, and the bearing seat design that can withstand high strength ensures the normal use of the equipment under heavy load conditions. 2. The design of stainless steel clothes door with moderate size and automatic door control device not only improves the safety in use, but also meets the demand for loading more linen. 3. Due to harsh conditions such as strong acid, strong alkali, and high temperature in washing, special zinc spray anti-corrosion treatment is used for all parts in contact with water, which ensures the durability of the machine and the safety of the linen. 4. Large-diameter water inlet, automatic feeding system, optional double drainage and other designs help you shorten the washing time, improve efficiency and reduce costs.</p> <p>Dimensions mm (LxWxH): 1050x1150x1520 Weight category: 250 to 1,000 kg Condition: Used</p> | |
|  | <p>3</p> | <p>Number: 1 Product category: Tumble dryer Brand: Jiangsu Taifeng Model: HG-100 Year of manufacture (yyyy): 2019 Additional information: Rated capacity-100kg Drum Size-1470x1000 mm Drum speed-30-33 r/min Steam pressure-04-06MPa Electric heating power-48Kw Motor power -2.2kw Fan motor power-2x1,5kw Weight-800kg The drum is made of high-quality stainless steel plate, which is durable and does not damage the material. 2. Electronic program control, automatic temperature control, low noise, fast heat exchange and low energy consumption. 3. High-power heater, and an insulation layer is added to the outer cylinder, so the temperature rises quickly and the efficiency is high. 3. The delivery door is large, so it is quite convenient to put or take things. The door is equipped with</p> | <p>300€</p> |

| | | | |
|--|----------|--|-------------|
| | | <p>transparent glass, which can observe the drying condition of the internal fabric at any time, and it is convenient to load and unload the linen. 4. Adopt secondary triangular belt drive, running smoothly, without vibration and noise. The computer control system has 5 built-in automatic programs, which can be selected according to different linens.</p> <p>Dimensions mm (LxWxH): 1650x1710x2450 Weight category: 250 to 1,000 kg Condition: Used</p> | |
|  | <p>4</p> | <p>Number: 1 Product category: Ironing machine Brand: JIANGSU TAIFENG Model: Y1800ID Year of manufacture (yyyy): 2019 Serial Number: 19120441 Additional information: Ironing length-Unlimited Ironing width-1800mm Ironing thickness-3mm Drum diamete-800mm Drum speed-0-3r/min Iron speed-0-7mm Stream pressure-04-06Mpa Weight-1150kg. The material of the roller is stainless steel structure, and each transmission shaft is made of special steel pipe, which effectively ensures the quality of ironing the bed sheet and quilt cover and the ironing belt does not run. 2. The new design increases the heating area, increases the ironing speed, makes full use of heat energy, and reduces the cost of use. 3. Frequency conversion speed regulation, integrated chain drive design, simple structure, stable transmission, low failure rate, and easy maintenance. 4. The combined multi-roll design is convenient for users to upgrade to three, four, and five rolls as the output increases, without eliminating or adding equipment, which effectively reduces the user's operating costs. 5. Adopt the design of tensioning wheel, which can automatically adjust the tightness of the ironing belt according to the thickness of the bed sheet and quilt cover, so as to ensure the quality of</p> | <p>300€</p> |
