Retail: A retail unit shall be used only for "permitted use" listed in the owner sales and purchase agreement and within the *overall* power and infrastructure constraints provided in and to unit listed in the sales and purchase agreement unit and subject to the relevant licenses and Local Authority approvals.

Parking:

Parking Bays can be made available for owners by entering into a "separate exclusive use agreement" for car parking as allocated to their unit. Extra parking if required by the unit owner and available with the developer, are subject to payment of additional fees at the sole developer discretion.

Owners are required to pay for maintaining and management of the above facilities as part of their annual service charge.

Common Areas Facilities

The following facilities are available for owners and occupiers for non-commercial use and should be used in a manner permitted in the community rules:

- High speed elevators
- Security access control and close circuit TV

Common Areas Furniture / Equipment

- Lobby Furniture

The *above* is made available by the Developer without any additional charges, *however*, should the management entity wishes to replace the item, the cost shall not be borne by the Developer but it should be contributed by unit owners.

Unit Plan:

The respective unit plan is provided in a schedule forming a part of the sale and purchase agreement.

Schedule of Material and Finishes:

The respective unit features and specifications along with furniture is provided in a schedule forming a part of the sale and purchase agreement.

Retail Units:

All retail units are handed over by the developer to the purchaser on shell and core basis as follows:

- Exterior & interior walls, brick, block work or concrete walls- the walls will be unfinished flush pointed block work or dry wall.
- Concrete floors recessed to receive the owner screed and floor finishes.
- Concrete soffit ceiling will be provided, *however*, the suspended ceiling are to be provided by the owner.
- No permanent shop front will be provided.

All provisions required for the specific business operations including by way of example but not limited, to, exhaust requirements, grease traps, ventilation, discharge, Fan cooling units, etc. are the sole responsibility of the owner. The purchaser should comply with all provisions of units fit out manual to be provided by the developer.

Services & Utility Supply Agreements:

The following agreements for services / goods have been entered into on behalf of all owners for common areas and are subject to change based on "Management Entity" instruction:

- Maintenance Management fees.

PART A: COMPULSORY ITEMS

1 Preliminary Matters

- (a) Avanti Tower is a jointly owned property and is comprised of 158 apartments & 3 retail units and common areas.
- (b) The owners, the occupiers and all persons having a legal interest in a unit (to the extent that this declaration and the constitution applies to such persons) are bound by the provisions contained in this declaration and the constitution as if all those persons had entered into mutual covenants to perform its terms.
- (c) In the event that there is any inconsistency between the provisions contained in this declaration and the provisions contained in the constitution, the provisions contained in the constitution shall prevail to the extent of such inconsistency.
- (d) The form of constitution is prescribed by the land department and may be varied from time to time by the land department in accordance with the jointly owned property law. The declaration is not capable of amendment by the owners association.

Pursuant to article 49 of the jointly owned property law, all rights and obligations of the owners association formed in accordance with law no. 27 of 2007 are transferred to the Management Entity.

2 Name of the Owners Association

Avanti Tower Owners Association.

3 Numbering of Units

3.1 Unit Numbering

Each unit in the jointly owned property shall be numbered as specified in **column a** of **Schedule 3**.

4 Unit Entitlements

4.1 List of Entitlements

The entitlements for the units are as specified in **Schedule 3**. The entitlements will be based on the area reflecting on the RERA electronic system (Mollak)

4.2 Method by which the Entitlements are calculated

The entitlements have been calculated on the basis of area with the entitlement of each unit calculated by dividing the unit area by the total units area.

4.3 Variation of Entitlements

The entitlements may be varied at the discretion of RERA from time to time in accordance with the jointly owned property law. **Schedule 3** will be varied to record any variation and the management entity shall take all reasonable steps to register such variation.

5 Delivery and Use of Utility Services

5.1 Supply of Utilities

The utilities are supplied to the building as set out in **Schedule 3**.

5.2 Utility Services not separately metered

In the case of utility services which are not separately metered, the owners committee may by simple resolution resolve to install separate metering, the costs of which shall be payable by the owners equally. The management entity may raise a special service charge to fund such installation after obtaining prior approval from RERA.

5.3 Access to Utility Service Infrastructure

- (a) The management entity must ensure that reasonable access to the jointly owned property is made available to the utility suppliers, to enable the reading of meters and the servicing of the utility service infrastructure and no owner may obstruct or prevent access by the utility suppliers, management entity and / or its appointed service provider to such utility service infrastructure at any time.
- (b) Subject to all applicable laws, the owners must allow the management entity and the utility suppliers reasonable access to the units for the purpose of reading the meters

and/or servicing the parts of the utility service infrastructure that do not form part of the exclusive services.

5.4 **Disconnection of Supply**

- (a) Subject to all applicable laws, the management entity and/or the utility suppliers may disconnect the supply of utility services to a unit and / or the common areas if the owner or occupier (as the case may be) has not paid the management entity, and/or the utility supplier (as the case may be) its utility service costs when due and payable.
- (b) The owners and occupiers acknowledge and understand that the management entity and/or the utility suppliers may disconnect the supply of utility services to the common areas if there are insufficient funds in the general fund to pay the utility suppliers the costs of the utility service when due and payable due to the failure of the owners to pay their service charges and / or utility charge when due and payable or any other reason.

5.5 **Other Utility Services**

To the extent that the management entity specifies any other suppliers of utility services for the building, the common areas and / or the units, management entity and the owners shall obtain such utility services from the nominated service providers.

6 **Easements and Covenants**

6.1 **General Easements, Covenant and Restrictions**

- (a) An owner must adhere to the terms of the following easements, covenants and/or restrictions benefiting or burdening the building, the common areas and/or its unit:
 - (i) an easement for support and shelter benefiting and burdening the jointly owned property;
 - (ii) an easement for support and shelter benefiting and burdening each unit and the common areas; and
 - (iii) such other easements, covenants and restrictions as may be created from time to time in accordance with this declaration, and any applicable laws.
- (b) An easement, restriction or covenant over a Unit may only be created, varied or removed where the benefited and burdened owners vote in favour of the resolution.
- (c) An easement, restriction or covenant over the Common areas may only be created, varied or removed if approved by the Management Entity and subsequently approved by competent authority. Such a motion to accept such creation, variation or removal is approved by the competent authority where the benefited and burdened Owners vote in favour of the motion.
- (d) Each Owner authorises the notation of all easements, covenants, and/or restrictions burdening the Building, the Common areas and/or any Unit on the title to its Unit and/or the title to the Common areas including, without limitation, a restriction on the title that states that the Unit is subject to the "terms, conditions, covenants, rights and restrictions set out in the Jointly Owned Property Declaration, and the rules, regulations and by-laws issued in accordance therewith as may be amended from time to time".

6.2 **Owner's Right to Support and Shelter**

- (a) Each Unit and the Common areas are benefited by and burdened with reciprocal rights of support and shelter from and to each other.
- (b) No Owner shall undertake any works to its Unit whatsoever that may detrimentally affect or otherwise interfere with another Owner's right to support and shelter of its Unit and must (subject to the provisions contained in this Declaration) maintain, repair, refurbish and/or reinstate its Unit as necessary from time to time to ensure that all other Owners' rights of support and shelter are maintained and protected at all times.
- (c) Nothing contained in this **clause 6.2** shall have the effect of requiring any Owner to undertake works to the Common areas unless otherwise required to do so under this Declaration.

7 Water, Waste, Energy and any Environmental Management Conditions

7.1 Environmental Management Conditions

- (a) The Management Entity and the Owners must comply with this Declaration, all applicable Laws and the requirements of any Relevant Authority with respect to any waste management, water and energy efficiency measures or other environmental management conditions with respect to the Building, the Common areas and any Unit.
- (b) The Management Entity must take positive steps to ensure that Utility Services supplied to the Units and Common areas are used economically and in a way that is sustainable to the environment, including where possible:
 - (i) the use of separate metering for Utility Services;
 - (ii) the issue of guidelines for minimising the use and wastage of those Utility Services; and
 - (iii) the provision of disincentives for any failure to observe those guidelines.
- (c) The Management Entity must take positive steps to:
 - (i) recycle waste and to encourage Owners and Occupiers to recycle waste;
 - (ii) facilitate such recycling by arranging for separate collection of different types of waste; and
 - (iii) have such waste collected by relevant recycling agencies.
- (d) An Owner must use its best endeavours to:
 - (i) use Utility Services in an economical and non-wasteful manner; and
 - (ii) recycle waste, particularly in accordance with any policies and directions of the Management Entity.
- (e) The Management Entity must when replacing items of machinery, plant or equipment give due consideration to using replacement items that are efficient in their use of water and electricity. Where a more efficient replacement item is more expensive, the Management Entity must give due consideration to the benefits of any reductions in operating costs of such replacement item over the medium to longer term.
- (f) When procuring goods and services the Management Entity must give due consideration to companies committed to environmental sustainability.

8 Rules

8.1 Compliance with Building Rules

- (a) The Owners and Occupiers must fully comply with the Building Rules and the directions of the Management Entity at all times.
- (b) The Management Entity must use all reasonable endeavours to enforce the Building Rules on behalf of the Owners Association.
- (c) A breach of the Building Rules by an Owner or Occupier shall be considered to also be a breach of the Owner's or Occupier's obligations under this Declaration.

8.2 Building Rules

- (a) By simple resolution, the owners committee may make (or vary from time to time) additional rules with respect to the use and enjoyment of the common areas provided always such rules do not conflict with this declaration, the building rules or the master community declaration. When the owners committee makes building rules it must take into account the nature of the building, owners' and occupiers' interests.
- (b) The owners must fully comply with all building rules and the directions of the management entity at all times.

8.3 Service of Building Rules

All Building Rules (or variations to the Building Rules) made by the Management Entity must be made in writing and served upon the Owners.

8.4 Consistency of Building Rules

All Building Rules and variations to the Building Rules must be consistent with this Declaration, and all applicable laws. If a Rule is inconsistent with this Declaration, the

Building Rules or Applicable Laws, then the provisions of this Declaration, the Building Rules and all Applicable Laws prevail to the extent of the inconsistency.

8.5 **Effect of Building Rules**

A Building Rule (or variations to the Building Rule) made by the Management Entity applies as though it is set out in full in this Declaration.

9 **Description of the Structure and Management of Project**

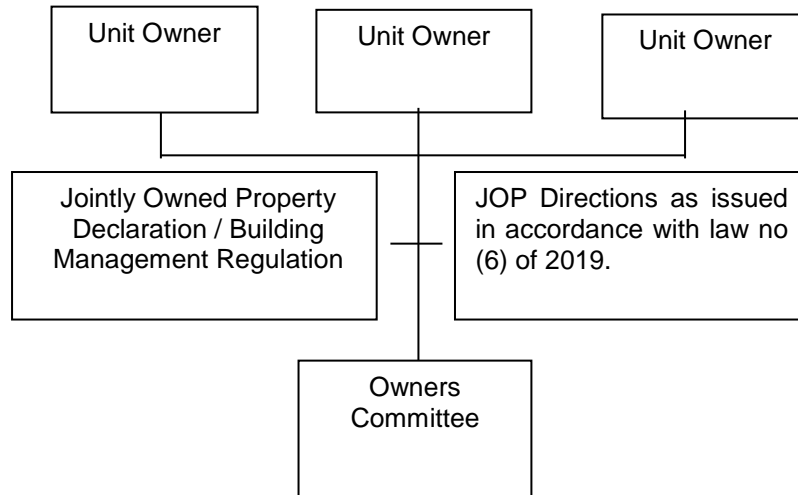

9.1 **Structure of the Project**

- (a) This Declaration applies to the Jointly Owned Property which is located within the Building.
- (b) The Units and the Common areas together comprise the Jointly Owned Property.
- (c) All Owners must comply at all times with the provisions contained in this Declaration and / or applicable laws and must proportionally contribute to the expense of managing, operating, maintaining and repairing the Common areas in the form of Service Charges.
- (d) The Building is located within the Master Community. All Owners must comply at all times with the provisions contained in the Master Community Declaration and must proportionally contribute to the expense of managing the operation, maintenance and repair of the shared areas and common use facilities within the Master Community in the form of Master Community Service Charges (if levied directly by the master developer to the unit).

9.2

Management Structure

The management structure for Avanti Tower may be depicted as follows:

9.3

The Management Entity

- (a) RERA / Developer must appoint (and at all times engage) a Management Entity to manage the Jointly Owned Property and guide the Owners Committee with the performance of its functions. PART B:

11 Restrictions on How a Particular Unit can be Used

11.1 Use

An Owner must ensure that its Unit is used strictly for the Restricted Use only and in accordance with all Applicable Laws.

11.2 Change of Use

- (a) The Restricted Use of a Unit may not be changed without the prior written consent of the Management Entity and the developer (and without first obtaining any necessary licence for such use from the Relevant Authorities). The Management Entity and / or the developer may withhold its consent to any change of use should they consider, in their absolute discretion, the proposed use is not in keeping with the Building, the Jointly Owned Property or otherwise has a detrimental effect on Owners or Occupiers within the Building.
- (b) In the event that a change in the Restricted Use is consented to by the Management Entity and the Developer, the applicant Owner must also obtain the consent and any necessary licence for such use from the Relevant Authority including but not limited to Dubai Municipality, Dubai Land Department and Dubai Department of Tourism & Commerce Marketing (DTCM) and provide a copy of the same to the Management Entity and the Developer before using the Unit for the proposed change of use. All costs including but not limited to expenses, levies, charges, taxes including Value Added Tax (VAT) imposed by the Relevant Authority as a result of the change in the Restricted Use of the Unit shall be borne solely by the Owner.
- (c) Any consent granted by the Management Entity and the developer may be granted subject to such conditions as the Management Entity and the developer consider appropriate, including the allocation to the Owner of any additional costs that may be incurred by the Management Entity and / or the developer arising from such change of use (such as additional Insurance premiums).

11.3 Short Term Leasing

A unit may be leased for a duration of less than twelve (12) months with the prior written consent of the Management Entity and / or the developer (whose consent may be withheld in its absolute discretion) subject to fulfilling all conditions and requirements laid down by competent authorities and paying relevant fees to the respective competent authorities.

11.4 Registration of Tenancy Contracts & Payment of Service Charges

- (a) Any & all tenancy contracts entered into by Owners in respect of their Unit must be registered with the Relevant Authorities in accordance with Applicable Laws.
- (b) Owners must provide the Management Entity with copies of all such tenancy contracts or renewals to be held by the Management Entity on behalf of the Owners Association. If the Management Entity is not provided with a copy of an Owner's tenancy contract and has not been provided with a Service Charge Payment Confirmation confirming that the Owner has paid all outstanding Service Charges, the tenant may be denied access to the Building, including without limitation, access restrictions to the Common areas.
- (c) For the avoidance of doubt, an Occupier is not entitled to take possession or move into a Unit unless the Owner has complied with **clause 11.4(b)** and paid its Service Charges (and all other moneys payable under this Declaration) in full and is not otherwise in breach of its obligations under this Declaration.

11.5 Number of Invitees

An Owner must ensure that the total number of Occupiers or Invitees per square foot in its Unit at any given time does not exceed the maximum number of Occupiers or Invitees permitted per square foot set by the Relevant Authorities and the Management Entity taking into account the restricted use and occupational health and safety considerations.

12 Architectural Code and Operational Code

12.1 Alterations to the Unit's Appearance

An Owner must not alter the external appearance of its Unit (including its internal appearance visible from any other Unit or the Common areas) at any time.

12.2 Architectural Code and Building Works

The Management Entity and all Owners must at all times comply with the Architectural Code when undertaking any alteration, renovation or other works to the Common areas or the Units as the case may be.

12.3 Common area Refurbishment

- (a) The Management Entity must ensure that the Common areas are refurbished from time to time in keeping with the aesthetic standards of the remainder of the Building.
- (b) The Management Entity must strictly comply with the Jointly Owned Property Law with respect to the repair and maintenance of the Common areas and the Owners expressly authorise the Management Entity to take such reasonable steps and expend such moneys from the General Fund and Reserve Fund (as applicable) for such purpose.
- (c) Without limiting the generality of the foregoing, the owners committee must, at intervals of not less than every three (3) years (or such lesser period) commencing on the date of this Declaration, convene a meeting to discuss the state of repair of the Common areas and to consider the need for any refurbishment.
- (d) Within fourteen (14) days of such a meeting, the owners committee pursuant to **clause 12.3(c)**, must present its refurbishment proposals to the Management Entity.

12.4 Operational Code

- (a) The Building has been constructed to the standard defined in the Operational Code.
- (b) The Management Entity and the Owners must ensure that the Jointly Owned Property is maintained in such manner as to ensure compliance with and maintenance of the standard specified in the Operational Code and shall ensure that all Suppliers engaged by, or on behalf of the Owners Association to provide services to the Common areas and the Building generally have the requisite experience and expertise to provide the services for which they are engaged to such standards.
- (c) The Owners must not vote in favour of any resolution that seeks to reduce or diminish the level of services in such a manner that results in a reduction of the standard specified in the Operational Code or otherwise vote to vary the Operational Code.

12.5 Amendment to the Architectural Code and Operational Standard

The Architectural Code and the standard specified in the Operational Code may only be amended by the Management Entity in accordance and compliance to applicable law & regulations.

13 Restrictions on Use of Specified Parts of the Building

13.1 General Use of Common areas

- (a) Unless otherwise provided for and subject to such conditions as contained in this Declaration, the Common areas may be used by the Owners and the Occupiers (and their Invitees) in accordance with the Building Rules.
- (b) An Owner must not restrict or seek to restrict any other Owner's or Occupier's (or their Invitees') right of use of or access to the Common areas under this Declaration.
- (c) An Owner must keep free and unobstructed all Common areas at all times and must not place or store any items or personal items on the Common areas.
- (d) Notwithstanding **clause 13.1(a)**, the Management Entity may temporarily or permanently restrict all or any Owners and/or their Occupiers (and their Invitees) access to designated Common areas in the following circumstances:
 - (i) in the case of emergency;
 - (ii) in the event that the Management Entity requires the utilisation of an area within the Common areas from which to carry out its administrative functions and fulfil its obligations under this Declaration; and/or
 - (iii) in the event that areas are required to be cordoned off in order for a Supplier to carry out works;

provided always, in respect of any permanent restriction, the Management Entity does so by providing a 30 day notice to all owners and that such restriction does not

substantially and detrimentally affect the use and enjoyment of the Common area of any Owner or Occupier (or their Invitees).

13.2 Operation and Management of the Common areas

The Owners acknowledge that the responsibility for arranging, supervising and monitoring the operation, management, control, maintenance and repair of the Common areas is with the Management Entity.

13.3 Common area Maintenance

- (a) Many of the Building's services are highly technical and affect the Units, and/or the Common areas. As a result the Management Entity must ensure that the Common areas and common systems are maintained in accordance with the Operational Code.
- (b) The Common areas (and the furnishings and facilities contained thereon) must be repaired, maintained and replaced with equivalent or better quality materials as may be necessary to maintain, or if determined by the Management Entity as desirable, to improve the standard of the Common areas.

13.4 Restricted Areas

- (a) Although designated as Common areas, Owners may not access any Restricted Areas without the prior written consent of the Management Entity.
- (b) The Management Entity may lock or otherwise prevent access to the restricted areas as it considers necessary or desirable either on a temporary or permanent basis.
- (c) Should an Owner (or their Suppliers) access any restricted areas, it must follow the directions of the Management Entity when accessing such area at all times.
- (d) Should an Owner or Occupier (or their Suppliers) access any restricted areas, it does so solely at its own risk.

13.5 Building Signage

- (a) The Owners acknowledge that the building signage including but not limited to developer signage and any commercial signage displayed by the developer is located in the Common Areas such as signage displayed within the building and / or the building façade and that the Owners Association is responsible, at its own cost, to operate, manage, repair and maintain such media within the Common areas or upon the Building (including the Façade) in accordance with this Declaration. Such signage will not incur any charges.
- (b) The Management Entity must ensure that the building signage is operated, managed, repaired and maintained to an appropriately high standard to reflect the operational standards of the Building and must ensure that the signage is refurbished as may be necessary or desirable from time to time.

13.6 Use of the Leisure Facilities

13.6.1 Operation of Leisure Facilities

- (a) The Leisure Facilities form part of the Common Areas and under the control and responsibility of the Management Entity.
- (b) Owners and Occupiers must strictly comply with (and must use all reasonable endeavours to ensure that Visitors comply with) all Building Rules and the directions of the Management Entity with respect to the use of the Leisure Facilities including the use of the associated facilities and equipment located within the Common Areas.
- (c) Owners and Occupiers use the Leisure Facilities at their own risk and indemnify the Management Entity, the Developer and the Owners Association against any cost or loss suffered as a result of failure to comply with the rules and directions of the Management Entity.

13.6.2 Restrictions on the use of the Leisure Facilities

- (a) The Management Entity may temporarily close the Leisure Facilities for the purpose of undertaking any cleaning, repair or maintenance of the Leisure Facilities.

 - (iii) properly operate, maintain, repair, and whenever reasonably necessary renew or replace any fixtures or fittings within the its Unit which may, if not properly operated, maintained, repaired, renewed or replaced, have an adverse impact on the proper functioning of the common areas and / or the common systems.
- (b) in carrying out its functions in this **clause 15.2.1**, an owner must engage only licensed suppliers approved by ded and must comply with this declaration (including the architectural code and the operational code), the building rules, all applicable laws and any applicable requirements and regulations of any relevant authority.

15.2.2 **Maintenance of Common areas**

- (a) The Management Entity is responsible for the maintenance, repair, refurbishment and replacement of the Common areas.
- (b) Subject to **clause 15.2.2(c)**, the costs of the Management Entity undertaking any maintenance, repair, refurbishment and replacement of the Common areas shall be payable by the Owners on the basis of their entitlements by way of Service Charges.
- (c) If any maintenance, repair, refurbishment and replacement of the Common areas is required as a result of the negligence or wilful act of an Owner (or its Occupier or Invitee) or the use, other than for the usual and restricted Use, by an Owner (or its Occupier or Invitee) of any part of the Building (excluding fair wear and tear), the costs of the Management Entity undertaking such maintenance, repairs, refurbishment and replacement of the Common areas shall be recoverable by the Management Entity from the responsible Owner as a debt payable on demand.
- (d) The Management Entity must ensure that it is prepared for any Reserve Fund Expenses. Accordingly, the Management Entity must, at intervals of three (3) years or such lesser time as the Management Entity shall determine necessary, appoint a suitably qualified, independent and licensed person to prepare a Reserve Fund Projection.
- (e) The Management Entity must review the Reserve Fund Projection at least every five (5) year to determine whether the Reserve Fund Projection remains relevant, whether any adjustments to the Reserve Fund Contributions are necessary to ensure that there are sufficient funds in the Reserve Fund to pay for the Reserve Fund Expenses and whether it is necessary to commission a further Reserve Fund Projection.
- (f) Each Owner must pay to the Management Entity its Reserve Fund Contribution as part of its Service Charges as and when such Service Charges fall due.

15.2.3 **Emergency Repairs**

- (a) The Owners and Occupiers expressly authorise the Management Entity to undertake (and authorise or engage any Supplier to undertake) any Emergency Repairs to the Common areas and the Units.
- (b) The costs of the Management Entity undertaking any Emergency Repairs to a Unit shall be payable by the Owner of that Unit that required the repair unless:
 - (i) the Emergency Repairs are required as a result of the negligence or wilful act of an Owner (or its Occupier or Invitee) or the use, other than for the usual and Restricted Use, by another Owner (or its Occupier or Invitee) of any part of the Building (excluding fair wear and tear), in which case the costs of such Emergency Repairs shall be payable by the responsible Owner; or
 - (ii) the Emergency Repairs are as a result of damage caused by the failure of the Common area (or any part thereof) in which case, the cost of the Emergency Repairs shall be payable by the Owners in accordance with their Entitlements.
- (c) The costs of the Management Entity undertaking Emergency Repairs to the Common areas shall be payable by the Owners in accordance with their Entitlements unless the Emergency Repairs are required as a result of the negligence or wilful act of an Owner (or its Occupier or Invitee) or the use, other than for the usual and Restricted Use, by an Owner (or its Occupier or Invitee) of any part of the Building (excluding

fair wear and tear), in which case the costs of the Management Entity undertaking any Emergency Repairs shall be recoverable by the Management Entity from the responsible Owner as a debt payable on demand.

15.2.4 Reporting damage or want of repair

The Owners must report any damage or want of repair to the Common area to the Management Entity as soon as becoming aware of such damage or want of repair.

15.2.5 Reduce disturbance

The Management Entity and the Owners shall carry out their maintenance, repair, refurbishment and replacement obligations under this Declaration in such a manner so as to cause as little disturbance as reasonably possible to other Owners' and Occupiers' lawful use or quiet enjoyment of their Unit.

15.3 Balconies (if applicable)

15.3.1 Balconies form part of the Unit in which located

The Balconies (excluding any part of the Façade and equipment used to illuminate or clean the Façade) may form part of the Units within which they are located or part of the Common Areas. The day to day cleaning, repair and general maintenance of the Balconies is the responsibility of the Owners.

15.3.2 No Structural Works

An Owner must not carry out any structural works on its Balcony nor otherwise alter a Balcony in any manner without the prior written consent of the Management Entity and / or the developer (which approval may be withheld in its absolute discretion) including, but not limited to:

- (a) the erection of any structure;
- (b) the enclosure or partial enclosure or any part of the Balcony; or
- (c) the painting or resurfacing of any surface of the Balcony including any walls or balustrades.

15.3.3 Maintenance of Balconies

- (b) An Owner must ensure that any item approved by the Management Entity in accordance with **clause 15.3.4(a)** must:
 - (i) be appropriately weighted so as not to be affected by wind; and

- (ii) not overload the Balcony or otherwise impact upon the structure of the Building.
 - (c) The Owners shall not be entitled to place any ornaments, planter boxes, pots and the like on, or attached to, the internal or external walls of the Balconies including on any balustrade.
- 15.3.5 No Shisha or Barbeques on Balconies**
- An Owner or Occupier must not place any shisha, barbeque or cooking equipment of any nature on a Balcony nor any charcoal preparation materials, gas cylinder or flammable liquids of any kind.
- 15.4 Signage**
- (a) An Owner of a Unit must not erect any Signage on any part of the Common areas or within its Unit that is visible from the exterior of the Owner's Unit.
 - (b) Provided it is done in accordance with all Applicable Laws and in compliance with the Architectural Code, the Developer and / or the Management Entity may affix or exhibit signage on the Façade and other parts of the Building.
 - (c) The Owners acknowledge that the Intellectual Property associated with the Developer's Name and the Building Name is the sole and exclusive property of the Developer. The Owners must not use the Intellectual Property associated with the Developer's Name or the Building Name without the prior consent in writing of the Developer (which may be given or withheld in the Developer's absolute discretion).
 - (d) Commercial signage / boards that are displayed by the developer and any of his affiliated companies including signage on retails unit owned by the Developer as per the Property Owner's sale and purchase agreement cannot be removed or attract any payable fee
 - (e) The Developer may in its sole discretion remove any signage displaying the Developer's Name or the Building Name at any time.
- 15.5 Rights of Access**
- (a) Each Owner must allow and irrevocably authorises the Management Entity and / or its appointed service provider to enter and access all parts of the Jointly Owned Property and the Units (through, over or under the Jointly Owned Property and the Units) at all reasonable times upon reasonable notice (except in the case of emergency) to do all things required by this Declaration including:
 - (i) access to the Façade to undertake any cleaning, repair and/or maintenance and to carry out any other obligations under this Declaration;
 - (ii) access to secure and/or run cabling and equipment to and/or over any part of the Jointly Owned Property or a Unit as may be necessary to enable them to perform their function; and
 - (iii) access to a Balcony to remove any items placed or stored on the Balcony in contravention of this Declaration.
 - (b) Each Owner must allow and irrevocably authorises the Management Entity and / or its appointed service provider to enter any part of its Unit at all reasonable times upon reasonable notice for the purpose of reading any meter installed within the Unit relating to any Common area or which is otherwise charged by or through the Management Entity.
 - (c) No Owner may charge the Management Entity and / or its appointed service provider any fee for providing access to its Unit to do things required by this Declaration unless such access is substantial and detrimental to an Owner's use and enjoyment of its Unit and that such fee is approved by the Management Entity.
 - (d) When any party exercises its right to access parts of the Jointly Owned Property or a Unit, the Management Entity must:
 - (i) not interfere unreasonably with an Owner's or Occupier's lawful use or quiet enjoyment of its Unit or the Jointly Owned Property;
 - (ii) cause as little damage as possible to the jointly owned property and / or the Unit and any improvements on them; and

- (iii) if damage is caused as a result of the exercise of the right of access, that party must, at its own cost, restore the Unit or Jointly Owned Property as nearly as practicable to the condition it was in before the damage occurred.

15.6 No Obstruction

All Owners and Occupiers must keep free and unobstructed all areas designated as fire access areas, fire assembly areas, access ways and the like at all times.

15.7 Insurance

- (a) All Owners must effect and maintain adequate and appropriate household insurance covering damages to the Unit and consequential damages to other Units or Common areas in a form approved by the Management Entity.
- (b) All insurance policies are to be taken out with a reputable insurer in the name of the Owner and must be for the full replacement value of the Unit's contents and include a specific allowance for the removal of debris.
- (c) Duplicate or certified copies of the policies and all renewal certificates and endorsement slips are to be held by the Management Entity on behalf of the Owners Association.

15.8 Failure of Owner to Carry out its Obligations

- (a) Subject to all Applicable Laws and in addition to any other rights the Management Entity may have, if an Owner does not carry out its obligations under this Declaration, then the Management Entity may, at the cost of the Owner payable as a debt on demand do anything reasonably necessary for the purpose of fulfilling the obligations of the Owner including:
 - (i) carrying out work on the Owner's Unit to do anything the Owner has failed to do;
 - (ii) taking any steps to prevent access to or suspend the use of any Common area / leisure facilities by any Owner or Occupier (and their Invitees) until such time as the Owner rectifies the breach;
 - (iii) taking any steps to prevent access to the common areas by any Suppliers engaged by the Owner to undertake any unauthorised work until such time as the Owner rectifies the breach;
 - (iv) removing any items that contravene this Declaration and storing them at the cost of the Owner. If not claimed within a reasonable period then such items may be disposed of by the Management Entity at their sole discretion respectively and any proceeds offset against such removal and storage costs;
 - (v) requiring the Owner to remove any unauthorised work and to reinstate the Unit or any Common area; and
 - (vi) undertaking (or engaging any Supplier to undertake) any work necessary to remove any unauthorised work and to reinstate the Unit or any Common area if not undertaken promptly by the Owner.
- (b) Except when carrying out Emergency Repairs, before exercising its rights pursuant to **clause 15.8(a)**, the Management Entity must by written notice, give the Owner a reasonable period of time, having regard to the nature of the obligation not performed, to carry out the obligation.
- (c) The costs of the Management Entity undertaking any works in accordance with this **clause 15.8** shall be a debt payable by the defaulting Owner to the Management Entity on demand.
- (d) An Owner must not vote in respect of any motion so as to prevent / diminish the Management Entity from taking any action against such Owner to enforce the provisions of this Declaration.

15.9 Power to Impose Fines

- (a) The Management Entity may from time to time impose fines on any Owner or Occupier who fails to comply with this Declaration, including, but not limited to, failing to strictly comply with the Building Rules.
- (b) Where the breach by the Owner or Occupier is capable of rectification to the reasonable satisfaction of the Management Entity, the Management Entity must first give the Owner or Occupier (as the case may be) notice of the breach and a

reasonable period to rectify such breach (given the nature of the breach) prior to the issuing of a fine under **clause 15.9(a)**.

- (c) The Management Entity may prepare a schedule of offences and corresponding fines which may be varied by the Management Entity from time to time provided that all fines imposed by the Management Entity are commensurate with the nature of the breach of the Owner's or Occupier's obligations under this Declaration. Such schedule of offences and fines must be notified to the Owners and Occupiers or otherwise displayed on the Common area. The Management Entity may increase the quantum of any fines in respect of any regular or repeated breaches.
- (d) The Management Entity may elect not to impose a fine (or waive the payment of a fine imposed) in respect of any breach by an Owner or Occupier in certain circumstances, as it deems appropriate at the discretion of Management Entity. Any such waiver to apply a fine or enforce payment of a fine against an Owner or Occupier does not prevent the Management Entity from applying or enforcing payment of a fine for breach against other Owners or Occupiers.
- (e) All fines imposed against an Owner or Occupier shall constitute a debt payable to the Management Entity and shall be payable within fourteen (14) days of the date of the enforcement notice issued by the Management Entity.
- (f) A failure by an Owner or Occupier to pay any fine imposed by the Management Entity under this **clause 15.9** shall further be considered to be a breach equating to a failure to pay Service Charges and the provisions in this Declaration regarding the failure of an Owner to pay Service Charges shall apply equally to such breach.

15.10 **Lien over Units**

- (a) The Owners acknowledge that failure to pay Service Charges on time is a violation of the Jointly Owned Property Law and may result in civil penalties including a lien being registered against their Unit by the Management Entity.
- (b) Furthermore, subject to compliance with all Applicable Laws, continued failure to pay Service Charges may result in the legal enforcement of a lien over the Unit, which may result in a public auction of the Unit and the deduction of the outstanding Service Charges from the selling price by the Management Entity. All costs incurred by the Management Entity associated with the recovery of the service charge shall be recoverable by the Management Entity from the responsible Owner as a debt payable on demand.
- (c) In accordance with the Jointly Owned Property Law, the rights of the Management Entity to take action against an Owner in respect of unpaid Service Charges remain in force notwithstanding any transfer of ownership of the Unit from the Owner to a third party.

16 **Additional Duties and Obligations of the Developer**

The Developer shall comply with its obligations under the Jointly Owned Property Law (law 6 of 2019) and all other Applicable Laws including, but not limited to, complying with the Developer's obligation to rectify any structural and non-structural defects in the Building in accordance with Article 40 of the Jointly Owned Property Law (Law 6 of 2019)

17 **Car Parking**

17.1 The Owners and occupiers of units will only be granted the right of exclusive use of that part of the Common properties identified as individual car parking spaces as allocated to their respective unit, subject to the following conditions:

- (a) The Owners have entered into a separate exclusive use agreement for car parking as allocated to their unit and subject to having paid a fee to the developer for each and every car park space.
- (b) Unsold parking that is owned and registered under the developer name, can be assigned to an owner of a unit subject to entering into a separate exclusive use agreement having paid a fee to the developer for each and every car park space.
- (c) The Management Entity continues to be responsible for the maintenance and upkeep of the Exclusive Use Car Parks, the Common Area basements and the whole car parking including maintenance of equipment and related services. The cost of which are included within the service charge fee. The developer will be responsible for paying a service fee for unsold parking.
- (d) The Management Entity, service providers and its employees and authorized representatives have rights of access as and when reasonably required for the purpose of carrying out their respective duties

17.2 **Conditions of Exclusive Use of Car Park**

- a) The Owner and /or apartment / retail occupier of the respective Unit allocated an Exclusive parking space must comply with the Building Rules and without limitation must ensure that:
 - (i) Vehicles are not parked in any parking space other than their designated car parking space or in such a manner as to obstruct, impede or inconvenience other vehicles.
 - (ii) Vehicles servicing or repairs are not carried out anywhere within the car park, basement or Common properties.
 - (iii) Vehicles are not operated in a manner that is dangerous (such as speeding), noisy or in contravention of any applicable laws.
 - (iv) They do not use or permit the use of the car park for any purpose other than parking vehicles.
 - (v) Their allocated parking space is kept clean and tidy at all times and oil spills are cleaned up.
 - (vi) No personal property is stored in the car parking space area without the written approval of the Management Entity.
- b) It is prohibited to park, stand or keep a caravan, trailer, boat, Jet Ski or other watercraft at any time within the Common Area basement and/or car parking spaces without the express and written permission of the Management Entity.
- c) Car Parking is entirely at the risk of the vehicle owner, keeper or user, who will have full responsibility for any accidents or damage to their vehicle or any other vehicle (as applicable) within the Common Area.

17.3 **Leasing of Exclusive Use - Car Park**

Each Owner shall be entitled to lease their Exclusive Use of Parking Area to an Owner or Occupier of another Unit in the Jointly Owned Property. Any lease by an Owner shall be at their own liability and may only occur where reasonable and appropriate with areas such as adjacent balconies/courtyards and other reasonable inseparable areas not being permitted.

18 **Deliveries**

When an Owner or Occupier:

- (a) Moves or transports any items in or out of the Building; or
- (b) Accepts deliveries from any third party;

they must comply with all Building Rules and directions of this Declaration.

19 **Other Matters**

19.1 **Dispute Resolution**

Any dispute between the parties arising out of the formation, performance, interpretation, nullification, termination or invalidation of this declaration or arising there from or related thereto in any manner whatsoever, shall be settled by reference to the courts of the emirate of Dubai, United Arab Emirates.

19.2 **Consent of the Management Entity**

The Management Entity and / or the owners committee may refuse its consent to any matter, where its consent is required under this Declaration or the Applicable Laws, in the event that the Owner seeking such consent is in breach of any of its obligations under this Declaration or the Applicable Laws, including the non-payment of Services Charges.

INTRODUCTION

In order to protect the interests of every Owner and to ensure and maintain a harmonious, physical and social environment, every Owner, Occupier and tenant shall comply with these Building Rules

1.0. OBSERVANCE

1.1. Observance

The duties and obligations imposed by these Building Rules on an Owner and Occupier of a Unit shall be observed not only by every Owner and Occupier but also by their tenants, employees, agents, contractors, guests, invitees, lessees, licensees, and any other visitors.

1.2. Observance of Higher Authorities Rules

In addition to the duties and obligations imposed by these Building Rules all Owners, Occupiers and others shall observe and are equally bound by any duties and obligations imposed by a higher authority, including:

- a) The Master Community and any rules and regulations imposed by this authority in accordance with the Master Community Declaration and any other requirements of the Master Developer;
- b) Any and all other Relevant Authorities; and
- c) The Applicable Laws of the Emirate of Dubai.

1.3. Observance of Building Rules by Non-Owners and Occupiers

- a) An owner or occupier of a unit shall take all reasonable steps to ensure that their tenants, employees, agents, contractors, guests, invitees, lessees, licensees, and any other visitors comply with these building rules and do not behave in a manner likely to interfere with any person's use and enjoyment of another unit or the common areas and assets.
- b) The Owner or Occupier of a Unit shall be liable to compensate the Management Entity in respect of all damages to the Common Areas or Assets caused by their tenants, employees, agents, contractors, guests, invitees, tenants, licensees, and visitors. The Management Entity may recover any such compensation as a debt from the Owner or Occupier of a Unit.

1.4. Enforcement of Building Rules

The Management Entity must uniformly enforce the Building Rules in the face of any violation requiring the Management Entity to:

- a) Issue a Building Rules Enforcement Notice to the offending party;
- b) Recover all costs of rectification and costs associated with the enforcement of Building Rules, including all legal and debt recovery expenses against the Unit occupied, owned or otherwise directly associated with the offending party;
- c) Apply the maximum Monetary Penalty (fine) determined by the Relevant Authorities and Applicable Laws against the Unit occupied, owned or otherwise directly associated with the offending party;
- d) Apply any other reasonable penalty or restriction determined by the Relevant Authorities and Applicable Laws against the Unit occupied, owned or otherwise directly associated with the offending party until such time as the offence ceases permanently; and
- e) Pursue whichever legal and practical means it deems necessary to preserve the interests of the Management Entity.

1.5. Definitions

In these Building Rules the following words and expressions shall, unless the context requires otherwise, have the meanings hereby assigned to them:

Applicable Laws means all applicable laws, regulations, orders, statutes, decrees, approvals, consents, licenses, and ordinances, all as promulgated and amended from time to time by any:

- (i) legislative, regulatory and administrative government authority of competent jurisdiction in the Emirate of Dubai or the UAE, which has jurisdiction over the Jointly Owned Property; and
- (ii) any courts of competent jurisdiction sitting in the Emirate of Dubai and elsewhere in the UAE.

Asset means an item of tangible or intangible property other than real property, which is owned by the Management Entity.

Common Areas means those common parts of property designed for common use by Unit Owners and Occupiers and shown in the Site Plan drawings.

Building Rules means the rules that all Owners and Occupiers shall comply with and such further rules and regulations the Management Entity may make from time to time.

Enforcement Notice means a formal written notice served by the Management Entity on an offending Owner or Occupier identifying that a Community Rule has been violated by that Owner or Occupier. The purpose of this notice is to initiate corrective action that will stop each, every and any future violation. Failure to obey the terms of this notice can result in a Monetary Penalty.

Exclusive Use Area means a part of the Common Areas that is designated for the unshared and privileged use of the Owner that such area is allocated to.

Jointly Owned Property means the whole or part of a building or land, or both, divided into Units intended for separate Ownership where part of such building or land has been designated as Common Areas.

Jointly Owned Property Declaration means the governing documents of the Jointly Owned Property.

Monetary Penalty means the penalty, by way of a fine (to a maximum amount and in any way permissible by the Applicable Law), that results from the issuing of a further notice to an Owner or Occupier that has already received an Enforcement Notice identifying that the required corrective action has not taken place and that a penalty is being applied as approved by the Relevant Authority.

Occupier means any person occupying or visiting a Unit owned by an Owner, including such Owner's tenants, employees, lessees, agents, contractors, family members, guests, visitors and any owner occupiers.

Owner means the person who is registered as the owner of a Unit on the appropriate register of the Land Department, including the Developer in regards to any unsold units.

Management Entity means the Seller or its nominee appointed as the manager of the jointly-owned property to provide administrative, secretarial and financial services to the jointly-owned property.

Relevant Authorities means any and all governing authorities within the Emirate of Dubai that have jurisdiction over the Jointly Owned Property and Assets. These authorities include but are not limited to, the Master Community, the Local Municipality, the Real Estate Regulatory Agency (RERA), the Roads and Transit Authority, the Land Department, the Immigration Department, Civil Defence and DEWA.

Service Charge (Fee) means the share of the total budgeted expenditure allocated to an Owner in accordance with that Owners' Participation Quota which covers that Owners share of the budgeted expenditure for the Jointly Owned Property. This does not include any Master Community levies (for services supplied to the units from the Master Developer) or other charges that are not included in the General Fund and Reserve Fund budgets.

Service Provider means a contractor appointed by the Management Entity, to provide services to and on behalf of the Management Entity. In respect to any areas outside of the Jointly Owned Property that the Management Entity has rights of use, the Service Provider means any contractor authorised by the owner of that property or unit to provide services equivalent to that of a Service Provider.

Site Plan means a plan registered in the Register showing the Units, including their relevant individual boundaries and the Common Areas that form the Jointly Owned Property.

Unit means an individual and uniquely owned apartment, retail establishment or store being part of the Jointly Owned Property that has its boundary clearly defined in the Site Plan.

Utilities means potable and service water, electricity, gas, storm water drains and pipelines, sewage pipelines, chilled water pipelines, central and common air conditioning services, telecommunications connections and all other similar services commonly regarded as utilities together with all ancillary equipment, apparatus, valves, pipes, drains and conduits.

2.0. GENERAL

2.1. Noise

- a) No nuisance, obnoxious or offensive activities shall be carried out on any part of the Jointly Owned Property, nor shall anything be done or maintained on any part of the Common Areas or within any Unit which may be or may become an annoyance or nuisance or interfere with the quiet enjoyment by any other Occupier. Such nuisance includes but is not limited to noise, odours, smoke and other emitted substances, vibrations, the obstruction of views and any other activity that is likely to interfere with any Occupiers peaceful enjoyment of their Unit or their reasonable usage of the Common Areas and Assets.
- b) Noise generated from power tools or trade works is permitted only during the designated hours determined by the Management Entity or as specified by the Relevant Authority.

2.2. Privacy

- a) No activities shall be carried out in any part of the Jointly Owned Property that may unreasonably interfere with an Occupier's right of privacy.
- b) Owners and Occupiers including their tenants are to avoid any attempt to look into any Unit or any part of the Common Areas that are designated for private usage or to look into the windows of neighboring structures.
- c) Owners and Occupiers including their tenants are obligated to take reasonable measures to protect their own privacy.
- d) Owners and Occupiers including their tenants acknowledge that the Jointly Owned Property and other areas that Owners and Occupiers have a right to access may have security cameras installed and note that they may be filmed as part of the security arrangements.

2.3. Personal Conduct and Authority to Instruct

- a) Every Owner and Occupier including their tenants must comply with the instructions of the Management Entity or any other duly authorized party insofar as the instruction pertains to the performance of their duties for and on behalf of the Management Entity.
- b) Owners and Occupiers including their tenants are to treat all other Owners, Occupiers and their tenants, agents, contractors, employees, family members, guests, invitees, lessees, licensees and visitors in a polite manner.
- c) The employees and the like of an Occupier, including but not limited to drivers, cooks, housemaids and other household staff are to be housed and treated in accordance with the Applicable Laws and whose actions and care are the sole liability of that Occupier.
- d) Owners and Occupiers including their tenants may not directly instruct a representative of the Developer, Management Entity, the Service Provider or any other party providing services for and on behalf of the Management Entity.

2.4. Pets Policy

- a) An Owner or Occupier including any tenant shall not bring an animal onto the Common Areas of the Jointly Owned Property, or keep an animal within their respective Unit, without the prior written consent of the Management Entity. This consent:
 - i. May be given and terminated at any time, subject to any conditions at the sole discretion of the Management Entity;
 - ii. Is given for the nominated animal only;
 - iii. May be subject to rules that the Management Entity may make from time to time and every Owner and Occupier shall be required to abide by these rules;
 - iv. May be withdrawn at any time at the sole discretion of the Management Entity in the event that an Owner or Occupier fails to abide by any rule, condition of consent or by failing to ensure that an approved animal does not cause a nuisance to another Owner or Occupier; and
 - v. Is at all times subject to the Applicable Laws, the sole responsibility of its owner and the animal must be housed and cared for in accordance with best practices of animal care.
- b) If a person is blind or otherwise disabled, they are entitled to be accompanied by a trained guide dog or other special assistance animal, within their Unit and whilst in the Common Areas. Such person requiring a guide dog or other special assistance animal:
 - i. Shall advise the Management Entity in writing prior to becoming an Occupier of a Unit that a special assistance animal is required and shall provide sufficient medical documentation to prove this; and

- ii. Is deemed to have the written consent of the Management Entity in accordance with Community Rule 2.4 (a).
- c) All animals shall be restrained adequately by their owners whilst in the Common Areas and are only permitted in these areas for the purpose of transit to and from a Unit.
- d) Any waste deposited by an animal shall be promptly removed and properly disposed of in a sanitary manner by the animal handler/owner.

2.5. Hazard Management

- a) No hazardous activities, including any activities or conditions which could endanger the health and/or safety of any person are permitted.
- b) Owners and Occupiers including their tenants shall not do or permit, by act or omission, anything within their Unit or in the Common Areas which may render void or voidable any policy of insurance over any part of the Jointly Owned Property or may operate to increase a premium payable in respect thereof. In the event that an Owner or Occupier does or permits, by act or omission, anything that causes an increase in insurance premiums payable by the Management Entity, the Management Entity shall be entitled to recover such increase in premiums from that Owner and Occupier and to demand that such cause be rectified immediately.
- c) In the event of any infectious disease affecting any Occupier of a Unit which may require notification to the Relevant Authorities in accordance with the Applicable Law, the Occupier shall give or cause to be given, notice thereof and any other information which may be required relative thereto to the Management Entity and shall, at the request of the Management Entity, pay to the Management Entity the expenses of disinfecting the Unit, Common Areas and Assets where necessary and replacing any articles or things the destruction of which may be rendered necessary by such disease, infection or contamination.
- d) An Owner or Occupier including their tenants shall not, except with the prior written consent of the Management Entity, use or store upon his Unit or the Common Areas, including any area designated as a storage area, any flammable chemical, liquid or gas or other flammable material, other than chemicals, liquids, gases or other material used or intended to be used for domestic purposes,
- e) All Owners and Occupiers including their tenants shall take all practical steps to prevent infestation by vermin, insects or other pests.

2.6. Waste Management

- a) An Owner or Occupier including their tenants shall not deposit any refuse, rubbish or trade empties or other waste in the Common Areas other than the disposal of household waste and then only in the designated areas.
- b) Owners and Occupiers including their tenants are responsible, at their cost, for the removal of all waste from the Jointly Owned Property, other than household waste and shall comply with any waste management instructions as may be determined from time to time by the Management Entity.
- c) Any damage or blockage to the Utilities resulting from the misuse or negligence of an Owner or Occupier or their tenants shall be recoverable as a debt by the Management Entity from that Owner or Occupier.

3.0. USE OF COMMON AREAS AND ASSETS

Smoking, eating and drinking is not permitted in any part of the Common Areas that are not designated, signed or otherwise advised by the Management Entity or Relevant Authority as being for that purpose or have restrictions specifically restricting these activities in such areas.

3.1. Booking and other Procedures

An Occupier desiring to utilize any part of the Common Areas or Assets shall comply with all Building Rules, booking or other procedures and any and all conditions and directions of the Management Entity or other duly authorized party.

For the avoidance of any doubt, if it is in any way unclear what procedures and conditions relate to the use of part of the Common Areas, an Owner or Occupier must seek advice from the Management Entity before using that part of the Common Area.

3.2. Moving of Furniture and Other Items

- a) No Owner or Occupier including their tenants shall move or permit the movement of any bulky items, including but not limited to, furniture, fixtures and fittings, chattels, equipment and trade materials into or out of a Unit without first securing written approval from the Management Entity and shall ensure that any such movement is carried out in the manner and at times that may be directed by the Management Entity.
- b) Any damage to the Common Areas caused by the movement of furniture or other items across the Common Areas shall have the costs of repair recoverable from the Owner of the Unit whose occupier is responsible or otherwise directly or indirectly involved in causing the damage to occur.

3.3. Security

- a) Owners and Occupiers and all others are required to adhere to the security arrangements implemented by the Management Entity and/or Service Provider who is authorized to:
 - i. Refuse admission to any person, whom, in the opinion of the Management Entity or the Service Provider, cannot provide sufficient justification for their admission to the Jointly Owned Property and such admission is subject to any conditions imposed by the Management Entity;
 - ii. Upon receiving a complaint from any person, remove any persons from the Jointly Owned Property or refuse admission to any person whom the Management Entity or the Service Provider considers likely to cause a nuisance;
 - iii. Enter upon any part of the Jointly Owned Property for the purpose of maintaining the overall security of the Jointly Owned Property;
 - iv. Increase or decrease the security arrangement of the Jointly Owned Property without notice upon the reasonable discretion of the Service Provider in consultation with the Management Entity; and
 - v. Disclose security material including security camera and/or CCTV footage to security staff and the Relevant Authorities upon their request.
- b) Access devices are the responsibility of the Owner of a Unit and an Owner must:
 - i. Exercise a high degree of caution and responsibility in making an access device available for use by any Occupier or other party and it is the responsibility of that Owner to transfer all issued access devices to new Occupiers upon cessation of an existing occupancy;
 - ii. Take all reasonable steps to ensure that the access controls are not lost, provided to unauthorized persons or otherwise disposed of; and
 - iii. Promptly notify the Management Entity and/or the Service Provider in the event that an access device is lost, stolen or destroyed. The Management Entity may charge a reasonable fee for supply of additional or replacement access devices required by an Owner or Occupier.
- c) An Owner or Occupier of a Unit is responsible for and shall ensure that their Unit is secure and that all doors and windows to their unit are secured properly.

3.4. Swimming Pool

- a) Only Owners and Occupiers including their tenants and their accompanying guests may use the swimming pool, subject to any restrictions of use, including any pool opening hours that have been included in any relevant signage or circulars authorized by the Management Entity. Owners and Occupiers including their tenants and their accompanying guests shall comply with any further swimming pool rules as may be imposed by the Management Entity or authorized pool area operator from time to time, which shall include but not be limited to conduct rules, safety rules, access arrangements and restrictions on the number of guests.

- b) Specific rules relating to the use and operation of the Pool area are included in Notices around the Pool Area and these may change from time to time subject to the approval of the Management Entity. These currently include:
- i. Swimming Pool opening times will be as indicated on the notice located in the swimming pool area.
